ASSISTANT PROF. DR.

MOHAMMAD ALSHALALDEH

Cardiovascular Surgeon Doctor

Name-surname: Mohammad ALSHALALDEH (ALŞALALDEH)

Speciality: Cardiovascular Surgeon Doctor

Place and date of birth: Amman/JORDAN 02.06.1974

Nationality: - Turkish , Jordanian

Mobile No: +962 790039891, +90 5543349851

E-mail: dr-alshalaldeh@hotmail.com

SUMMARY:

Since June 2018, I have held the position of assistant professor of medicine in the cardiovascular department at Pamukkale University's Faculty of Medicine hospital.

In addition to providing lectures and practical training to resident doctors and students of the medicine and physiotherapy and rehabilitation faculties, I also perform various types of cardiac and vascular surgeries.

My residency in cardiovascular surgery began in 2009 at Pamukkale University and concluded in 2014.

Following this, I worked as a specialist in cardiovascular surgery at Mus City State Hospital for approximately two years.

Prior to this, I served as a resident doctor of general surgery at Al-Al-Bashir Hospital in Amman, Jordan, for 2.5 years, from February 2005 to August 2007.

EDUCATION:

- **Secondary school:** Shukri shashaa Sec.School - Amman/Jordan 1992
- **University:** Dokuz Eylül Üniversitesi - Faculty of Medicine. İzmir/TURKEY (1994-2000)
- **Al-Bashir State Hospital-** General surgery assistant. Amman/JORDAN (February 2005- August 2007).
- **Pamukkale University** - Faculty of Medicine Hospital Cardiovascular Department. Denizli / TURKEY (2009-2014)
- **Pamukkale University** - Faculty of Medicine Hospital Cardiovascular - Department. Assistant Professor Dr. since 2018 up today

CARDIOVASCULAR BOARD CERTIFICATION & MEMBERSHIPS:

- Turkish Board of Cardiovascular surgery, 2016.
- Jordanian Board of Cardiac Surgery, 2023.
- Jordanian Board of Vascular Surgery, 2023.
- Turkish Society of Cardiovascular Surgery, since 2010 (membership registry NO: 01-003121).

- American College of Surgeons, 2021 (membership registry No: 03602079).
 - European Society of Cardiology, 2020 (membership registry No: 651886).
-

WORK EXPERIENCES:

- Pamukkale University - Faculty of Medicine Hospital Cardiovascular Department. Denizli / Turkey (2018 up to day): Assistan professor Dr of cardiovascular surgery.
 - Muş State Hospital- Specialist surgeon doctor of Cardiovascular department (2014 - 2016). Muş city / Turkey.
 - Pamukkale University – Resident Doctor at Faculty of Medicine Hospital Cardiovascular Department. Denizli / Turkey(2009-2014).
 - Derman Private Chest Disease Medicine Center- GP Doctor. İzmir / Turkey (2007-2009).
 - Albashir State Hospital- Resident Doctor at General surgery department. Amman /Jordan (February 2005- August 2007).
 - Alkarak State Hospital - ER GP Doctor, Al-Karak City / Jordan (2003-2005)
 - Alshmisani Private Hospital - GP Doctor and Op room assistant doctor, Amman / Jordan (2001-2003)
 - Jordan Private Hospital - one year compulsory service as GP Doctor, Jordan (200-2001).
-

ATTENDED CONFERENCES AND COURSES:

- Asia's Best Researcher Award in Cardiovascular Surgery was Given to me. Which held in India and took place on 01.10.2023
- Türkiye’de Transfüzyon Yönetim Sisteminin Geliştirilmesi için Teknik Yardım Projesi, attendance certificate 17-18 June 2021.
- Gulf Heart Association. Certificate of Attendance ‘‘COVID-19 and Cardiovascular Disease’’. 19th of June, 2020
- EACCME. European Accreditation Council for Continuing Medical Education Certificate: HFA Webinar: Clinical trials and highlights from AHA 2020 26 November 2020.
- EACCME. European Accreditation Council for Continuing Medical Education. Certificate: ESC Webinars Series - Sports Cardiology. Focus 2: Exercise a secondary prevention in CVD (CAD, HF, Arrhythmias). 2 December 2020.
- EACCME European Accreditation Council for Continuing Medical Education Certificate: ESC Webinar Series Diabetes. Focus on the evidence for SGLT2i in the prevention and treatment of heart failure. SGLT2i - A new class of drugs for the treatment of heart failure. 3 December 2020
- EACCME. European Accreditation Council for Continuing Medical Education Certificate: ACVC Webinar - Case Based challenges and gaps of the 2019 ESC guidelines of dyslipidemia. 10 December 2020
- EACCME. European Accreditation Council for Continuing Medical Education Certificate ESC Webinar Series - Diabetes. Focus on update on the role of SGLT2i for the treatment of patients with heart failure. 18 December 2020.
- Royal college of surgeons of Edinburgh. Lower limb reconstruction for chronic limb-threatening ischemia, endovascular or bypass. On 10th November 2020

- EACCME. European Accreditation Council for Continuing Medical Education Certificate: HFA
Webinar: Patient management / troubleshooting, medication, living with an LVAD. 19 January 2021
- EACCME. European Accreditation Council for Continuing Medical Education Certificate: ESC
Webinar Series: Diabetes. Focus on measuring how patients feel and function in heart failure: a new era in patient empowerment. 27 January 2021
- EACCME. European Accreditation Council for Continuing Medical Education Certificate: ACVC
Webinar: Cardiac emergencies during pregnancy: focus on acute coronary syndromes and acute heart failure. 28 January 2021.
- EACCME. European Accreditation Council for Continuing Medical Education Certificate: ESC
Webinars Series - Sports Cardiology. Focus on sports and cardiovascular health: where you draw the line? .9 February 2021
- EACCME. European Accreditation Council for Continuing Medical Education Certificate: ACVC
Webinar: Acute right ventricular failure secondary to acutely increased afterload. 11 February 2021
- EACCME. European Accreditation Council for Continuing Medical Education Certificate: HFA
Webinar: Advanced Heart Failure: What is the right time to consider left ventricular assist device?. 15 February 2021
- EACCME. European Accreditation Council for Continuing Medical Education Certificate: Council
webinar : Sex differences in hypertension. 17 February 2021
- EACCME. European Accreditation Council for Continuing Medical Education Certificate: CCO
Webinar: Integrating and organising cardiac imaging and biomarkers in cardio-oncology: which, when and how frequently. 24 February 2021
- EACCME. European Accreditation Council for Continuing Medical Education Certificate. CCO
Webinar: The essential skill in cardio-oncology: baseline cardiotoxicity risk stratification. 8 March 2021
- EACCME. European Accreditation Council for Continuing Medical Education Certificate: ESC

Webinars Series - Sports Cardiology. Focus on athlete's heart vs. cardiomyopathy: the role of imaging. 25 March 2021.

- EACCME. European Accreditation Council for Continuing Medical Education

Certificate: EAPC webinar: Troponins: role in cardiovascular prevention and rehabilitation. 21/10/2021

- Certificate of Attendance: "17th International Congress of Update in Cardiology and Cardiovascular Surgery". 5-7 November 2021

- Certificate of Attendance: "Surgical Ablation for AF Course". "17. International Congress of Update in Cardiology and Cardiovascular Surgery". 5-7 November 2021 virtually

- Certificate of Attendance: "Mitral Valve Repair Course". "17. International Congress of Update in Cardiology and Cardiovascular Surgery". 5-7 November 2021 virtually

- Certificate of Attendance: "Valve Summit: Minimally Invasive Mitral Valve Repair Course". "17. International Congress of Update in Cardiology and Cardiovascular Surgery". 5-7 November 2021 virtually

- Certificate of Attendance: "Valve Summit". "17. International Congress of Update in Cardiology and Cardiovascular Surgery". 5-7 November 2021 virtually

- Certificate of Attendance: "International Academy of Vascular and Endovascular Surgery". "17. International Congress of Update in Cardiology and Cardiovascular Surgery". 5-7 November 2021

- Certificate of Attendance: "International Forum of Arrhythmia". "17. International Congress of Update in Cardiology and Cardiovascular Surgery". 5-7 November 2021

- Certificate of Attendance: "International Cardiology Mediterranean". "17. International Congress of Update in Cardiology and Cardiovascular Surgery". 5-7 November 2021

- Certificate of Attendance: "Hypertension Summit". "17. International Congress of Update in Cardiology and Cardiovascular Surgery". 5-7 November 2021

- Certificate of Attendance: ‘Heart Failure Summit’.’17. International Congress of Update in Cardiology and Cardiovascular Surgery’. 5-7 November 2021
- Certificate of Attendance: ‘Advanced Echocardiography Course’.’17. International Congress of Update in Cardiology and Cardiovascular Surgery’. 5-7 November 2021
- 15th. Congress of Turkish Society of Cardiovascular Surgery (2018). - Heart School (Course), 6 May -8 May 2016, Eskişehir/TURKE
- Society of Cardiovascular Surgery 5.Cardivascular Surgery training prgram, 10-12April 2015 Eskişehir / TURKEY
- Society of Cardiovascular Surgery 13. İntemational Congress 3 0october-2 November 2014 Antaiya / TURKEY
- 14th Congress of Turkish Society for Vascubr Surgery, 2013 Istanbul
- 16th Congress of Turkish Society for Vscular and Endovascular Surgery, 2013 Istanbul
- 8th Asian Venous Form 2013 Istanbul
- 7th Congress of Turkish Society for Phlebology / October 26-29 2013, Istanbul / TURKEY
- Pure Progress Anastomotic Skilis Simulation Lab Course October 2013, Istanbul / TURKEY
- Endoscopic Vein Harvesting Workshop, October 2013 Istanbul / TURKEY
- Venous inşufficiency Managment Course, October 2a13 Istanbul/ TURKEY
- EVAR / TEVAR Simulator Training Program / June 2013 Istanbul/ TURKEY
- 15.İnternational Vacular Surgery Congress, 27-3 October 2011 Antalya / TURKEY
- First Scientific Day of Jordanian Association of Thoracic and Cardiovascular Surgeons 2006 Amman/JORDAN
- The 16th Annual Congress of Pan Arab Association of Surgeons. November 2006 Amman/JORDAN
- The 34th Annual Congress of Jordanian Surgical Society in Collaboration with İnternational Surgical Society. November 2006 Amman/JORDAN

- The 3rd Scientific Day on Health Research and Evidence Based Medicine 'Our Place in The World'.

May 2006 Amman/JORDAN
